ABOUT CARE

CARE is an international development and humanitarian aid organisation fighting global poverty and injustice, with a special focus on working with women and girls to bring lasting change to their communities.

CARE International in Vietnam is a dynamic organisation working with Vietnamese and international partner organisations on 300+ projects since 1989. CVN recognises that the key to achieving equitable development outcomes lies in shifting deeply rooted, structural underlying causes of poverty and social and gender injustice which contribute to exclusion and vulnerability of particular groups in society. CVN's long term programme goals are that Remote Ethnic Minority Women (REMW) and Socially Marginalised People (SMP) equitably benefit from development, are resilient to changing circumstances, and have a legitimate voice.

CARE is an equal opportunity employer committed to a diverse workforce. Women, ethnic minorities and people with disabilities are strongly encouraged to apply.

"Thanks for your interest in CARE! We are committed to each other and to the protection of the people we serve. We do not tolerate sexual misconduct within or external to our organisation and imbed child protection in all we do. Protection from sexual harassment, exploitation and abuse and child protection are fundamental to our relationships, including employment, and our recruitment practices are designed to ensure we only recruit people who are suitable to work with other staff and the people we serve. In addition to pre-employment checks, we will use the recruitment and reference process to ensure potential new staff understand and are aligned with these expectations. To find out more, please contact the Human Resources Manager."
